

Tennessee Sporting Clays Association (TSCA) Hall of Fame Selection Process

Nomination Process:

Nominations for the TSCA Hall of Fame will be initiated through an email sent to the general TSCA membership at large. TSCA Members will have at least 15 days from the date of the email to submit nominations to the Hall of Fame Committee. The committee, led by the committee chairman and including at least two (2) additional board members and four (4) TSCA members-at-large appointed by the President, will then take 7 days to thoroughly vet the nominees.

Voting Procedure:

After the verification process is complete, the committee will present qualified candidates to the TSCA membership for voting. Members will have at least 15 days to cast their votes. Following this period, votes will be totaled. Inductees will be announced at a later date.

Qualifications:

Candidates may be considered for two categories:

- **Shooter Award:** Recognizes individuals with outstanding achievements in sanctioned shooting competitions, either open or concurrent class.
- **Service Award:** Honors individuals whose contributions have significantly enhanced sporting clays in Tennessee.

In all cases, a candidate must have been a member of the National Sporting Clays Association and the Tennessee Sporting Clays Association for a minimum of ten (10) years; and good sportsmanship by each category will be a major consideration for induction into the TSCA Hall of Fame.

See the next page for the Hall of Fame Points System. Nominations can be sent in an email to Admin@tnsportingclays.com.
