10	Cross Creek Clays	Middle	TN Points Race Finale (Sat Only)	Sat-Aug-8	Sat-Aug-8

The top seven (7) events from the Points Race Calendar will count toward a shooter's final total, and new for 2026, the Points Race Finale will count as one of those seven events with all points earned at the Finale doubled. Attendance at the Finale is not required, but all Points Race shoot-offs and giveaways will take place at this Saturday-only event.

Shooters competing in more than seven events will still receive the 10 participation points for each additional shoot, though only their top seven scores will be used in the final standings. Shooters participating in fewer than seven events will not be eligible for payouts. If a shooter moves up or down in class during the year, all previously earned points will follow them to the new class. The shooter with the highest total points at the end of the season will be crowned the TN Points Race Champion, and this winner may come from any class.

**Note: Perfect Score is 910**

**(Six regular wins @ 100pts/per, One Finale win @ 200pts/per, Nine regular participation stops @ 10pts/per, and One Finale @ 20pts/per)**
